

JEFFERSON COUNTY COMMUNITY FOUNDATION

Board Giving Policy Adopted October, 2005

The Jefferson County Community Foundation Board of Directors is expected to make a significant contribution to the Foundation each year to the unrestricted operating fund. It is expected that each Director will commit to giving this personal donation annually. The Jefferson County Community Foundation is committed to full participation by the Board of Directors in this annual Board Campaign. The minimum annual gift is \$1,000; donations beyond this amount are encouraged. Board Directors can commit to becoming a 'Founding Investor' at \$10,000 through cumulative gifts until December 31, 2010. These donations from the Board of Directors will be used to support the infrastructure of the Community Foundation.

Additional donations by the Board of Directors may support any of the funds under the Foundation umbrella.
