

JEFFERSON COUNTY COMMUNITY FOUNDATION

The Founding 100 Investors Circle

Members of The Founding 100 Investors Circle show their support for the community foundation and the work it can accomplish in Jefferson County by pledging \$10,000 to be paid over five years. They make a gift of unrestricted money – separate from the endowment – that is used to develop and maintain the infrastructure of the foundation. It pays for staff, office space and professional consulting – all the ingredients necessary to run a successful organization.

The first 100 families, individuals, businesses or foundations that make this pledge will be recognized for their community vision and for making an early commitment to the success of the community foundation. They will be listed on the foundation's website, in press announcements, the annual report and other appropriate communication material. Investors may make their donations through cash or gifts of stock.

Each member of the JCCF board has already joined The Founding 100 Investors Circle.

Pledges can be fulfilled through a single payment of \$10,000, through annual payments of \$2,000, or through other payment schedules that are convenient to the donor. The full pledge should be fulfilled five years from the first donation.

If you are interested in becoming a member of The Founding 100 Investors Circle, please contact any board member, or philanthropy consultant Kris Mayer at 360-379-3667 or kris@jccfgives.org.

Those of us on the board thank you for your consideration and support. Your gift assures that the Jefferson County Community Foundation will be a strong and vibrant organization “making a difference close to home – today and tomorrow.”
